EDUCATION

BSC Honors in Forestry &
Environmental Science,
Shahjalal University of
Science and Technology

SKILLS

- Python (Pandas, Numpy, Matplotlib, Seaborn, Plotly, Scikit-learn)
- Machine Learning (Linear Regression, Logistic Regression)
- SQL
- PostgreSQL
- MySQL
- Power Bi
- MS Excel
- MS Powerpoint
- Language: English, Bengali, Hindi, Urdu

EXPERIENCE

I have 1 year experience on scientific research in SUST. I have conducted predictive analysis on forest condition.

OBJECTIVE

I am an expert with over 2 years of experience collecting, cleaning, and analyzing large datasets to extract meaningful insights. I have also contributed to developing reports and dashboards to visualize key performance indicators. I have conducted exploratory data analysis using Python, SQL, Power BI, and Excel to identify trends and patterns for business optimization. I can work in various fields including business, research, healthcare, weather, criminal justice, science, government data, etc. Please check my portfolio: <https://github.com/SHAKIL-The-Analyst/All-Projects.git>

PROJECTS

Python projects:

- Superstore sales analysis with hypothesis testing.
- Popular diagnostic center analysis.
- Amazon sales analysis.
- Hotel booking analysis with hypothesis testing.
- Diwali sales analysis.
- IMDB movie rating analysis.
- Supermarket sales analysis.

Machine Learning Projects:

- Ecommerce client's prediction with linear regression.
- Breast cancer detection using logistic regression.
- Car price prediction using Linear regression.
- Titanic disaster survival using logistic regression.

SQL Projects:

- Music store analysis.
- Pizza hut sales analysis.
- Northwind sales data analysis.
- Walmart sales analysis.
- San Francisco layoff's analysis during covid-19.

Power Bi Projects:

- Human resource analytics.
- Madhav ecommerce sales dashboard.
- Papollo healthcare analysis.
- Superstore sales dashboard.

Excel Projects:

- Bike sales data analysis.
- Coffee orders analysis.
- Vrinda store data analysis.
- Coffee shop sales dashboard.
